**Celebrate our 10th Harvest !**

# - Special on our Brut Plaisir -

Dear Bubbly-Lovers Friends,

**10 years of Colmant bubbly already !!!**

We recently completed our 10th harvest, and not only was it the earliest harvest we have ever had but also the smoothest, and promises to be the best in terms of quality.

Harvest commenced on the 8th of January this year with the picking of Chardonnay from our limestone vineyard in Robertson (these grapes account for around 30% of our famous Colmant Brut Chardonnay). Our final picking was on the 28th of January with the last batch of Pinot Noir from Elgin.

As you can see in the picture, everyone came to the party, including Schalk who deserted the tasting room to help with the crushing of the Pinot Noir for the Colmant Rosé!

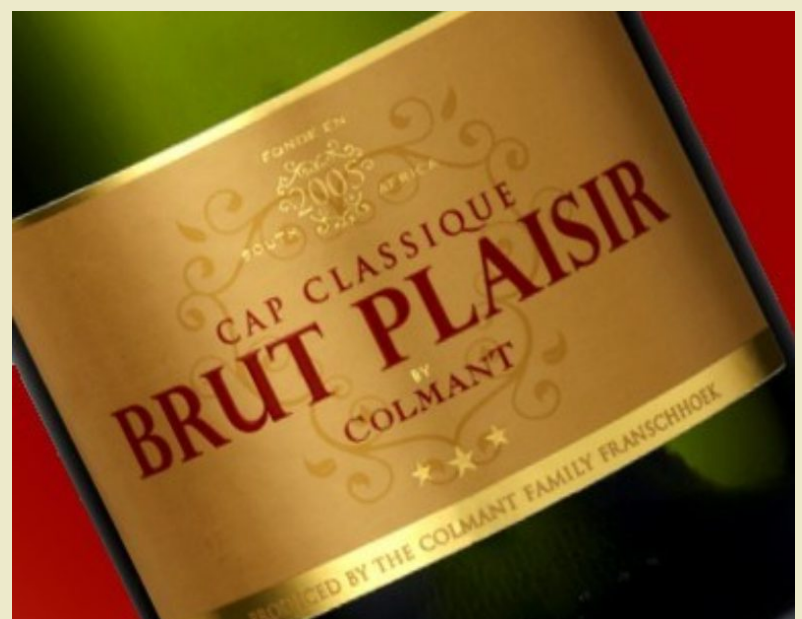

We would like to celebrate our 10th anniversary with you, by offering a very special deal on our scrumptious Brut Plaisir exclusively to our loyal followers.

**With any order of 12 bottles,** buy our Brut Plaisir at **R95** (instead of R105).

**With any order of 24 bottles,** buy our Brut Plaisir at **R89** (instead of R100).

**With any order of 48 bottles,** buy our Brut Plaisir at **R85** (instead of R97).

This offer is valid until the 28th of February, don't miss it !

We deliver any order of 12 bottles or more free of charge anywhere in South Africa. If it is time for you to restock, please feel free to make use of our [friendly online order facilities](#).

With our bubbiest regards,

Jean-Philippe Colmant
