Celebration time !

Dear Bubbly-Lovers Friends,

Only two weeks to go to the most glamorous event on the wine calendar, the annual "Magic of Bubbles" Festival held in Franschoek. This year's dates are Saturday and Sunday the 29th and 30th of November. Colmant will be there too with your favourite bubbly and we truly hope to see you on this festive weekend. For more info, please visit www.franschhoekmcc.co.za.

It's also the time to think of gifts for your loyal clients and special friends. This year we have created a beautiful luxurious 3 bottles box, as shown on the picture. We will pack your selection of any three bubblyies from our range and deliver directly to you, or to your clients and friends with a greeting card on your behalf. The price of the box itself is only R 120 and for a full quotation with content and shipping fees, please send us an email.

The Platter Guide 2015 has just been released and once again all of our wines are very highly rated. We are delighted to share with you our ratings so please click on the following link for more info : [Colmant Platter ratings 2015](#).

The festive season is around the corner and, as always, we can deliver straight to your holiday retreat on the date of your choice . Please don't wait last minute to avoid any disappointment!

We deliver any order of 12 bottles or more free of charge anywhere in South Africa. If it is time for you to restock, please feel free to make use of our [friendly online order facilities](#).

With our bubbiest regards,

Jean-Philippe Colmant
