Celebrating spring time with fresh beginnings:

**A brand new website and the official 2016
Colmant MCC release !**

A BRAND NEW WEBSITE

Dear Friends,

It is with great pleasure to announce that Colmant's brand new website is officially LIVE !! It has been a long time since I wished for a new website which would stand as a better platform to represent the Colmant farm and bubbly, while offering our dear customers a greater online experience! This website is a result of few months of work fuelled by the **visions and passionate energy** of the Colmant family and team (and our website developer of course).

Click below to start exploring... We really hope that you love it as much as we do! Don't hesitate to let us know what you think or express any improvements you would

recommend by emailing my daughter Manon (manon@colmant.co.za)- she would love to hear from you!

2016 COLMANT MCC RELEASE

Of course, the website launch could only be paired with an equally exciting release: the 2016 stock is officially ready to make its way out of our cellar! This means that all Colmant bubbly are now available on our website - including our **BRUT RESERVE** that many of you have long been waiting for!!

Please make use of our new [online store](#) to stock up. As always, we will deliver to your doorstep anywhere in the country free of charge for orders of 12 bottles and more (with any combination from our Cap Classique and Champagne collections).

Wishing all Colmant bubbly lovers around South Africa a very happy and sunny Springtime!

Yours in bubbles,

Jean-Philippe Colmant
