Crisp, crunchy apple aromatics with traces of gooseberry and a faint hint of cinnamon.

On the palate

Succulent stone fruits (nectarine and peach) are lively and crisp but rounded out with luscious pear appeal.

Winemaker's notes

Brut Plaisir is a selection of Pinot Noir and Chardonnay from Franschoek, Elgin and Robertson.

Fruit is expressly chosen for its rounded fruitiness. True to Colmant house style, a portion of reserve wine from previous vintages is blended in before the wine is matured on its lees for 12 to 15 months at a steady 14°C. Intended for immediate enjoyment, we recommend you drink within two years of purchase.

Dosage : 7,0 to 8,0 g of sugar per litre.

For Ultimate Enjoyment...

To be enjoyed on any occasion- if there is nothing particular to celebrate, then the presence of the bottle of Brut Plaisir in your fridge makes a great cause for celebration.
